2010 Soboba Golf Classic Selected Highlights

Southern California PGA Learning Center – The SCPGA will again be offering free lessons during the 4 days of competition. Located adjacent to the first tee in Kids Korner, the prime location will surely be inundated with individuals looking for a quick fix to their broken golf swings! Don't miss your chance to Drive-Pitch and Putt with family and friends.

Kids Korner – Located next to the SCPGA Learning Center where , expect inflatable jumpers, blow up slides, obstacle courses, interactive games and an all around good time to be had by all the kids in attendance throughout the week. All children 12 and under get in the gates for free the entire week.

"Dimples" – We will be the first PGA TOUR sanctioned event to have a mascot! Dimples the big golf ball will be roaming the links giving away prizes and encouraging noise for all those great shots!!!

College Corner – The aforementioned College Corner is sure to be a blast. Breaking from the tradition of the "golf clap," we expect nothing less than a big party to greet players as they step to the 15th tee. * The 15th hole was ranked the hardest Par 3 on the Nationwide Tour in 2009.

Wellness Center – Local "health & wellness" companies will have an opportunity to display their materials for all to view.

Lifestream Blood Drives – "Pints Fore Passes" will culminate with the Blood Drive on October 1st of tournament week, however we are conducting another Blood Drive on August 6th. Anyone kind enough to give will be given a ticket to the Soboba Golf Classic.
